

# 2020 Promo Gift Code Program

July 1, 2020 - December 31, 2020 Promo Gift Code Program

Limitless Distributors can earn Special Promo Gift Codes for a free \$49 Business Kit accompanying a Find Your Limitless 3-for-\$500 Pak. These Promo Gift Codes can be offered to a new enrollee to help encourage them to join the business at a discounted price.

- Promo Gift Codes are non transferrable, and can only be used by a personally enrolled new distributor sponsored by the earning Distributor.
- Promo Gift Code are good for 10 days from date of issue.

## Earning Promo Gift Codes (PGC)

*Three ways to earn*

1. **Enroll with a 3-for-\$500 pak:** Beginning July 1, all 3-for-500 paks will include a Promo Gift Code Certificate. The Code will be issued the day the pak is shipped and will expire 10 days from that date. *(Should a new enrollee need the Gift Code before their shipment arrives, Distributor Services will be able to assist them with the uniquely assigned code.)*
2. **Achieve at least 1000 PSV in a given month:** In any month, generate 1000 PSV, and receive a Promo Gift Card via email the following business day. The earlier in the month you achieve 1000 PSV, the sooner you can offer your Gift Code to a new enrollee. *Distributors who achieved at least 1000 PSV in June 2020 will receive a Promo Gift Code on July 2 that will expire in 10 days.*
3. **Use a valid Gift Code on a new enrollee before the expiration date:** If you have a valid Promo Gift Code and you use it with a new enrollee before the expiration date, you will automatically be issued a new 10-day Gift Code via email. You can continue to earn consecutive Promo Gift Codes as you use each one before the expiration date.

## Redeeming Gift Codes:

Because this is a promotion, we have not programmed this in our online application. Therefore, all Gift Codes must be redeemed with a signed paper distributor application. Cross off the \$49 and write in the valid Promo Gift Code. Submit to [support@limitlessww.com](mailto:support@limitlessww.com).
