[†]These optional value-added paks are only available at the time of enrollment, but are not required to become a Limitless Worldwide™ distributor. The only requirement to become a distributor is to purchase a \$49 Business Kit, which is included for FREE in this value-added pak. (\$49 Business Kit is optional for distributors residing in the state of North Dakota.) If this enrollment pak is returned, the distributor will be charged \$49 for the required Distributor Business Kit, in addition to all applicable rules contained in the return policy as posted in the Policy & Procedures and Terms & Conditions. Requires setting up Auto-ship LDR (Limitless Delivery Rewards) order template at time of enrollment.

The purchase of these paks at the time of enrollment fulfills volume requirements for Xpress Qualification. See complete Limitless Compensation Plan Brochure or talk to your upline for complete details.
