

FIT: Fly In Travel Package Promotion

The 2022 FIT promotion is the best way to grow your business and get yourself to each quarterly Limitless Worldwide Fly In event. Distributors can earn access to a VIP event prior to the Fly In (Nights on Broadway) and hotel and airfare. The promotion begins January 1, 2022 through March 31, 2022 and is available to both new and current distributors.

Qualification Period:

April 2022 Fly In (April 21-23rd): January, February, and March 2022

Rewards: Invitation to Nights on Broadway, 2 Night Hotel Stay, Up to \$500 toward airfare.

Requirements: Requirements vary based on the reward, Distributors must earn the rewards in sequence.

Nights on Broadway Requirements:

To earn an invitation for two to the VIP Event: Nights on Broadway (held on Thursday evening of the Fly In- April 21st), a Distributor must complete ONE of the following:

- Have an LDR (autoship) process for a minimum of 150 PV
- Generate a minimum of 1,000 PSV in each of the following commission months: January, February, and March 2022*

**In the event a Distributor does not meet 1,000 PSV in one of the qualification months, they are able to make the PSV up in another qualification month, as long as their total PSV over the 3 month period meets or exceeds 3,000.*

OR

- Xpress Qualify, and earn your 3 in 30 Bonus during the qualification period. This option is available to NEW Distributors or existing Distributors who have submitted a Fresh Start form.

2 Nights Hotel Requirements:

To earn a 2-night hotel stay (Thursday and Friday nights) during a Limitless Fly In, a Distributor must earn their invitation to Nights on Broadway (see above) PLUS complete the following each month of the qualification period.

- Help a leg in your Organization achieve a minimum of 1,000 OV for the first time and hold it each month during the qualification period.
- If a qualifying leg fails to meet 1,000 OV in one of the qualifying months, this can be made up in other months during the same qualification period.

Example A: Distributor helps a frontline Distributor achieve 1,000 Organizational Volume for the first time in January 2022. The Distributor maintains that 1,000

OV during the months of February and March 2022. Distributor earns a 2 nights hotel stay.

Example B: Distributor helps a frontline Distributor generate 1,000 Organizational Volume for the first time in January 2022. In February 2022, the leg generates only 500 OV. To make up for February, the Distributor must generate 1500 OV in that leg for the remaining month of the qualification period, March.

Up to 500 toward Airfare Requirements:

To earn up to \$500 toward airfare to attend a Limitless Fly In, a Distributor must earn their invitation to Nights on Broadway (see above) PLUS complete the following each month of the qualification period.

- Help 2 legs in your Organization achieve a minimum of 1,000 OV for the first time and hold it each month during the qualification period.
- If a qualifying leg fails to meet 1,000 OV in one of the qualifying months, this can be made up in other months during the same qualification period.

Example A: Distributor helps 2 frontline Distributors achieve 1,000 Organizational Volume for the first time in January 2022. The Distributor maintains both 1,000 OV legs during the months of February and March 2022. Distributor earns both a 2 nights hotel stay, and up to \$500 towards airfare.

Example B: Distributor helps a frontline Distributor generate 1,000 Organizational Volume for the first time in January 2022. In February 2022, 1 of the legs generates only 500 OV, while the other meets its qualification. To make up for February, the Distributor must generate 1500 OV in the leg that failed to reach 1,000 OV, for the remaining month of the qualification period, March 2022.

Terms:

Prizes have no cash value or substitutions. A Distributor must attend the Fly In to receive the FIT package rewards. Prizes cannot be transferred without express approval from Limitless Worldwide management.

The Limitless policies and procedures will be enforced for qualification rules, including but not limited to buying-in volume, creating false distributorships (straw-man ID's) in order to fulfill requirements, etc. Additionally, all orders in the downline used to qualify a distributor for any benchmark bonus must be paid for and shipped to the owner of the account. Company reserves the right to disqualify distributors who violate such policies.
