

VALUE-ADDED ENROLLMENT PAKS

Get started on your FYL journey, and sell your additional paks to your accountability partners.

Taking your first step towards improving your health, confidence, and financial well-being can seem a little daunting. The American Society of Training and Development recently completed a study on accountability and found that you have a 65% higher chance of completing a goal if you make the commitment with someone. Further, if you have set specific accountability appointments with that person, you will increase your chance of success by up to 95%. So grab some friends and start your path towards **Finding Your Limitless**.
