**While Climbing the Ladder...**

Advance from being an Xec to an X<sup>3</sup> by having three of your personally enrolled distributors also become a "brick" Xec.

**Next...start enrolling customers and distributors**

**CORE 50 PV**

Your first 50 PV makes you "active" in the Front end of the plan.

The more "active" distributors you are wide, the deeper you will get paid on everyone's CORE 50 PV up to 6 LEVELS deep.

**The average person purchases more than 50 PV.**

**This helps you become an Xecutive:**

After the first 50 PV, all volume from you and your customers' orders flows into the middle 300 Portal PV to help you become an Xecutive. As an Xec, you will earn 5% on all of your front-line's Portal 300 volume and on any extra volume from you and your customers after your own Portal 300.

Personal Customers = Portal Bucket = Xecutive

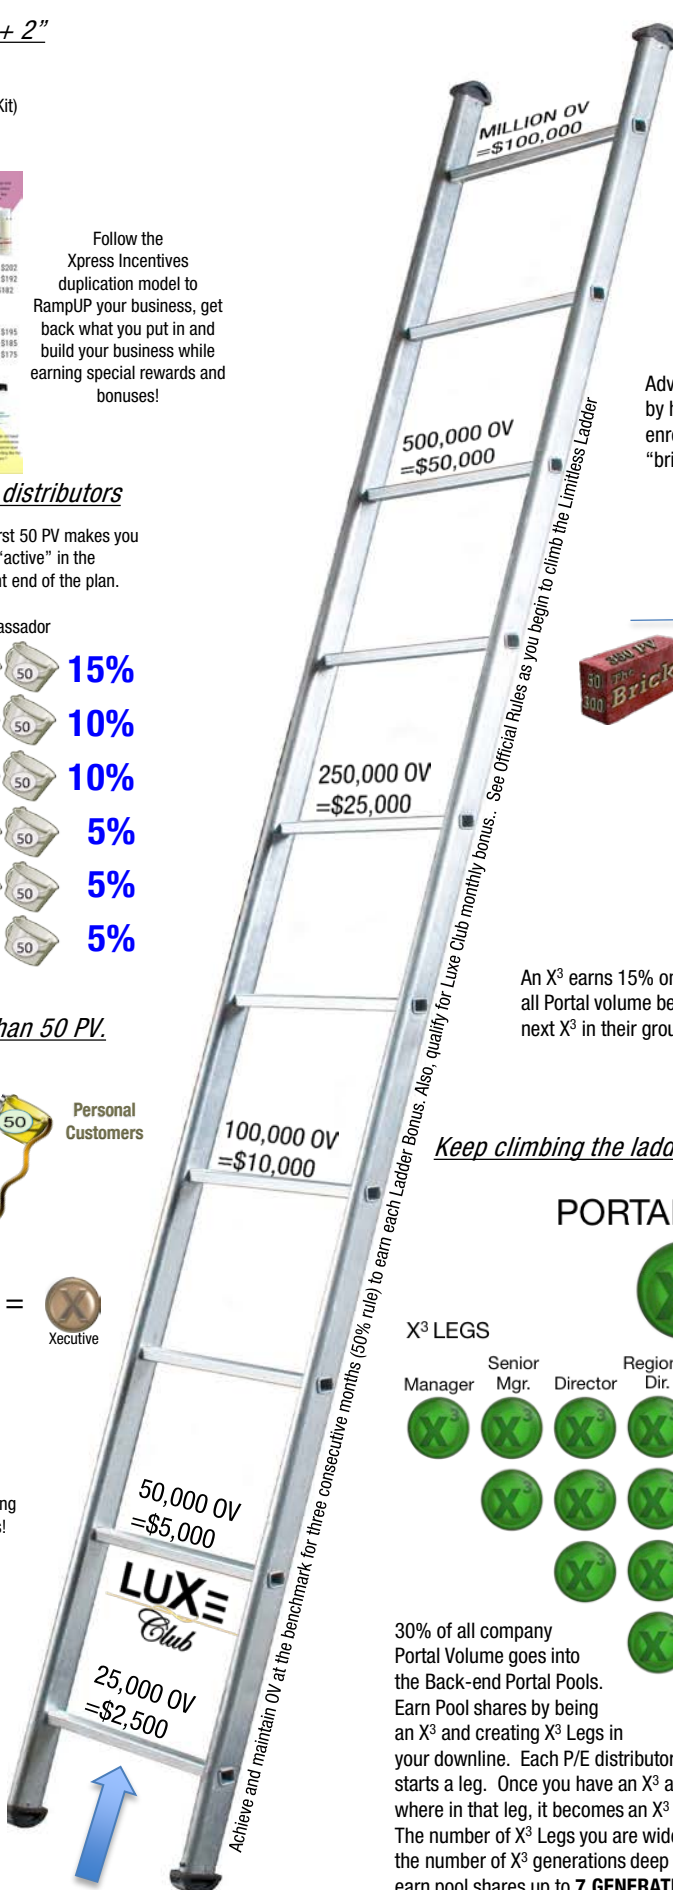

**Bricks and Ladders: The Cornerstone**

Once you become an Xec we refer you as becoming a "brick" the building block of your Limitless Business!

Now build other "bricks" and climb the Limitless Ladder by timely increasing your Organizational Volume and earn ADDITIONAL BONUSES while you learn the compensation plan!

**CLIMB the LIMITLESS LADDER**

An X<sup>3</sup> earns 15% on all front-line Portal PV and 10% on all Portal volume beyond their front-line down to the next X<sup>3</sup> in their group.

**Keep climbing the ladder while building X<sup>3</sup>'s**

30% of all company Portal Volume goes into the Back-end Portal Pools. Earn Pool shares by being an X<sup>3</sup> and creating X<sup>3</sup> Legs in your downline. Each P/E distributor starts a leg. Once you have an X<sup>3</sup> anywhere in that leg, it becomes an X<sup>3</sup> Leg. The number of X<sup>3</sup> Legs you are wide, equals the number of X<sup>3</sup> generations deep you can earn pool shares up to 7 GENERATIONS deep.
