Terms and Conditions

Acceptance into the Xpress Incentives Fresh Start Promotion will allow a previously enrolled Distributor the opportunity to Xpress Qualify and participate in all of the different Xpress Incentives and RampUP Bonuses, as if they were a new Distributor. Enrollment in the promotion is only open to Distributors from February 20, 2021 through March 31, 2021. The Fresh Start date will be assigned by Limitless Worldwide upon receipt and approval of this form, and the deadlines for each incentive will be determined according to this new date. Fulfillment of volume and enrollment requirements for the Xpress Incentives and RampUP Fresh Start is based only on new Distributor legs, Fresh Start Qualifying Distributors, or new customers. In order for a Fresh Start Qualifying Distributor to count the volume and new enrollments of a previously enrolled downline Distributor, both Distributors must submit Fresh Start forms. The upline's form should be submitted before, or no later than the same business day as the downline Distributor's form. Distributors who have previously Xpress Qualified are eligible to participate in the Fresh Start Promotion, however, they are agreeing to requalify as an Xpress Qualified Distributor. If Xpress Qualification is not achieved after submitting a Fresh Start form, a Distributor is no longer Xpress Qualified. For complete rules and conditions on Xpress Incentives refer to the Official Rules in your Limitless Virtual Office. Qualifying Distributors must remain in good standing with the company to participate.

*Refer to the Xpress Incentives flyer in your Virtual Office for details on Xpress Qualification
